

We see the tree is actually MS. BADGER, she's a badger in her mid 20s, she's full of life and passion for her craft of photography. Right now, she's in a funny-looking tree disguise.

MS. BADGER

Hey kids!

ELINOR / ARI / OLIVE

Whoa! / You look just like a tree!
/ Amazing!

MS. BADGER

<LAUGHS> You better beLEAF it!
Yeah, sometimes I dress up like
nature in order to blend in and
take the perfect picture of
animals. Check it out!

MS. BADGER

It's nice to meet you Elinor. I

Wildlife Photographer. Now I work
with nature everyday!

Elinor's eyes light up, astonished. Ari swoops in and shakes Ms. Badgers hand.

ARI
